### DEFINITIONS OF TERMS USED IN SCORE SHEET

Introduction	This is not an introduction of the person. Rather it is to explain why the topic is important to the person and the audience. Usually a presentation shows knowledge learned in 4-H club project.
Topic	Should be closely related to category entered.
Appearance	Neat, properly dressed for the job. Good posture but at ease.
Voice	Voice natural, words distinct, reasonably clear, correct.
Grammar, Vocabulary	Grammar, proper choice of words for clear meaning .
Presentation	Poised, friendly, confident, convincing. Material presented with logical sequence. Originality and creativity shown throughout. Workmanship in demonstration: Skillful; time and materials well used; work and speech coordinated; table top neat and orderly; easily viewed by audience. Good teamwork is working as a team.
Subject	Should be sufficient depth to show member's knowledge matter of subject matter field.
Equipment, Charts, Posters, Models	Equipment should be will chosen for the job, conveniently arranged, and used in a generally accepted manner. It is not necessary to recite a list of equipment to be used but rather to identify it as used.  Charts, posters, and models should be neat, concise, appropriate and easily seen by audience. They are often a reduced scale model; a cross section; to summarize steps in a process; list pertinent information such as formula or recipe.  Members need not have made charts or posters themselves.
Summary	A concise review of the main points of the presentation. It should not include new material.

**Jr. Time** - Should be 5-7 minutes. Deduct two points for each full minute over or under allotted time. This time does not include audience question period.
