Fine Teens Shine at Idlewild!

Westmoreland youth working on tobacco prevention projects through the year were honored at the Smoke Free Air Affair at Idlewild on June 1. Projects included peer education, compliance checks, conference presentations, movie ad surveys, collecting smoke-free restaurant petitions and promises to keep smoke-free homes. Youth were the key to a successful year! Lucy DeHaven and Esther Ulery were honored as the first tobacco prevention advisors to youth in our county!

Who Are They?

They are student members of statewide, youth led tobacco prevention organizations, BUSTED! and Teens Against Tobacco Use (TATU). Westmoreland groups include Christ the Divine Teacher School, Trafford Leo Club, 4-H County Council, BUSTED!, Brush Creek 4-H, Hempfield TATU, Greater Latrobe Asset Development, and Greensburg High School Leadership Club.
Thank you to all who helped this year!

When is the next BUSTED Meeting?

Not a Hula Dance! Not a Swing Dance! It's a Line Dance on **Friday, June 13, 2003**, 7 PM at Alwine Community Center, on Old Route 66 in Greensburg. Call Anne Lail for directions. Come for free fun, refreshments, dancing, and tobacco bingo!

The BUSTED! Regional Meeting for Southwest PA will take place on **Wednesday, June 18, 2003**, at Westmoreland County Community College. Register by June 10. Call Anne Lail for registration forms. Teens across the state will hit the streets to spread the word about tobacco smoke pollution, and you can be a part of it!

What's coming?

All students can compete in the county wide Communications Contest on tobacco issues at the Westmoreland Fair, Thursday, **August 21, 2003**. Cash premiums: \$50, \$25, \$15! Call the Extension office or check the website, click on family and children, then health, and youth activity for details. *over*
